

JOIN OUR TEAM

Yoko Briese Accounting & Business Services is a specialised public practice firm providing taxation, accounting, and advisory services — with strong expertise in Australia–Japan cross-border matters. We're looking for a motivated Japanese Speaking Accountant to join our team and grow with us!

Your Opportunity

In this role, you will:

- Prepare tax returns (income, FBT, BAS, IAS)
- Prepare financial statements (companies, trusts, partnerships, individuals)
- Liaise with the ATO and ASIC
- Assist with tax planning and advisory
- Use Xero, MYOB, Sage, and Excel
- Collaborate with senior staff
- Build client relationships

Unlike segmented roles in larger firms, you'll gain broad involvement in client matters and see the real-world impact of your accounting and tax advice on businesses and individuals. This is a fantastic opportunity to develop practical tax and accounting knowledge, gain exposure to international and cross-border work, and move beyond routine tasks. You will build communication skills and grow into a more senior position.

Is This You?

We are looking for someone who:

- Holds a tertiary qualification in Accounting
- Has at least 12 months of public practice experience
- Has full working rights in Australia
- Has experience using tax return preparation software
- Is fluent in Japanese and English

It would be advantageous if you:

- Have strong attention to detail
- Have a proactive attitude and willingness to learn
- Can work independently and in a team
- Have experience with Xero and MYOB

What We Offer

At Yoko Briesse Accounting, we provide:

- Exposure to diverse clients and industries
- Involvement in complex cross-border matters
- Full CPA support and sponsorship
- Ongoing professional development
- Flexible working arrangements (including work-from-home consideration)
- A valued and professional environment

Apply Now

If you are serious about building your career and want to gain experience that will truly broaden your expertise, we encourage you to apply. Please send your resume to: info@ybabs.com.au

Please feel free to contact us if you would like to have an initial conversation about the role or our office environment before applying. We are happy to answer your questions.

We look forward to hearing from you.
